MIDLINE
Group

MIDLINE SWEATER LTD. is a 100% export oriented sweater factory create to serve the brands / retailers / importers by providing high quality sweater from Bangladesh.

Bangladesh is giving most competitive prices specially for the sweaters with world class quality and comfortable delivery schedule even with the imported yarns.

We are qualified with special training and very rich experience of more than 27 years in the field of sweater manufacturing and exports.

We are having a very closely linked network of supplier from different parts of the globe for latest developments in of yarns and accessories for our productions needs. The raw materials are sourced and handle by our office in Dhaka for the close monitoring and timely import of raw materials to keep our commitments to our customers.

We are using Raw Material from well known yarn suppliers from China & Taiwan in addition to the local yarns and have our own sourcing office in China for follow up and Quality control.

We are having 3 tire production / Controlling and quality assurance system in our factory to make on time shipments with pre-assured quality.

We are making all sort of sweaters from our machines covering 3/5/7/12 gauges and we have the facility to make the computerized Jacquard patterns.
